April 28, 2022

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for a Storm Water Discharge Project for the City of Hackensack in fiscal year 2023.

The entity to receive funding for this project is the City of Hackensack, located at 65 Central Avenue, Hackensack, NJ 07601.

The project proposed in this request includes the installation of storm water infrastructure that will help further control storm water quantity, improve water quality, comply with the City's Long Term Control Plan (LTCP) requirements, and protect public health by reducing peak flows into the Combined Sewer System (CSS). This project is in the State's Intended Use Plan (IUP) Project Priority List (PPL) receiving financial assistance from the Clean Water State Revolving Fund (CWSRF) through the New Jersey Environmental Infrastructure Funding Program (NJEIFP)

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. Gottheimer".
